

UNION PACIFIC LOGISTICS AND PLANNING QUARTER 1

January 2024

SAP UPDATE

Invitations to Project44 (P44) and LBN will be sent in the next 2-3 weeks. Please be on the lookout for an invitation email from LBN and P44 on how to get linked to Union Pacific Account.

WINTER IS HERE

Winter is here, which can mean delays to our shipments. We understand that delays will occur; however, we ask that you use discretion when requesting accessorials for weather related events (Acts of God).

HAPPY NEW YEAR

The Logistics and Planning team hopes you all had a wonderful holiday. We are very excited for the New Year and the upcoming changes that will be happening in our group. Please take the time to read each section for important information and updates.

UPDATING CARRIER CONTRACTS

As we work towards moving over to our SAP system in 2024, be aware that we will be sending out updated contracts to all our carriers. Please review the email from members of the team. If you have any questions, please send an email to supplycallcenter@up.com.

REVIEW SHIPMENT INFORMATION

This is a reminder to take your time submitting your bids as our team is very detailed with the information provided. We ask that your teams review bids that are for OD, OW, GANGBIDS, LHFM, Wheels, Engines and TM's.

UPDATES TO OUR RESOURCES

Please review our 'Routing Instructions' page on our online portal. We have updated our Accessorial Tariffs and Carrier Improvement Plan. There are also additional resources that have been added for your convenience. On the second page of this Newsletter are the links to frequently used resources.

NEW YEAR, NEW UPDATES TO CIP

Please note that there have been some changes to our CIP (Carrier Improvement Plan). Link to the updated CIP is below and also on pg. 2 for reference. If you have any questions, please reach out to any member of the logistics and planning team.
